The City’s insurance coverage renews at August 1st of each year. The City’s agent of record is CBiz/Ed Jacob’s and Associates. Andy Figlestahler along with Dena Hunt are the City’s primary representatives with CBiz/Ed Jacobs. Andy coordinates the city’s renewal each year and every effort is made to ensure employees are receiving the best coverage possible with the funds available. Dena assists the HR Department with claims, enrollment of dependents, changes in coverage, etc.

Open enrollment is held each year beginning in June. This is the period that changes can be made without a “qualifying event” such as marriage, divorce, birth of a child, change in spouse’s employment status, etc. Employees who elect dependent coverage will have deductions from their paychecks during the month prior to the coverage’s effective date.

During open enrollment in 2019, the Human Resources Department and the representatives from CBiz worked to implement the electronic Aflac at Work Benefit Administration System. This system will allow employees to review their coverages and make any changes during the year, provided they are allowable under the coverage terms.

Flexible Spending Account Program

The Flexible Spending Account Program is a plan that allows employees to save on their annual tax liability by the use of pre-tax dollars to pay for certain out-of-pocket expenses such as un-reimbursed medical and dental expenses including co-pays and deductibles, dependent care expenses, over-the-counter medications, eyeglasses, etc. Employees elect an annual amount up to \$2,700 that is deducted from payroll **before taxes** in equal amounts out of 24 payrolls each year and deposited in their Flexible Spending Account. As claims are incurred, the employee can use a debit card to pay the expense with no out of pocket cash required, or can file for reimbursement if the debit card is not used. Effective with the 2013 plan year, a roll over option was included to prevent the loss of funds that remain in accounts at the end of the plan year. Up to \$500 may be unused at the end of each year and will roll over to the following year. The Flexible Spending Account year begins August 1st and ends July 31st. Contributions from payroll to employee's Spending Accounts begin with the first payroll in August. Both the City and the employee save on federal taxes. The City pays for all expenses related to administration of the plan.

Life Insurance Coverage

City employees are provided with two times their base annual salary for life insurance and accidental death and dismemberment insurance. Dependent coverage is provided in the amount of \$2,000 for a spouse and \$1,000 for dependent children. Employees must inform the HR Department in the event of a change in their beneficiary, and of the change in marital status so dependent coverage can be updated. There is no cost to employees for this coverage.

Long-Term Disability

City employees are provided with long-term disability insurance that pays a minimum of 60% of the employee's regular earnings up to a maximum of \$5,000 per month in the event of disability. The benefit will be provided for disability from the employee's current occupation for two years, then would convert to disability from any occupation. This benefit begins after the exhaustion of sick leave or 90 days, whichever is greater. There is no cost to the employee for this coverage.

Paid Sick Leave

Employees are credited with sick leave each month at the rate of 8 hours per month for 40 hour per week employees and 24 hours per month for 28 day Fire employees. Sick leave is to be used for an employee's personal illness or injury off the job, and may also be used for the necessary care and attendance of a member of the employee's immediate family. Unlimited accumulation is allowed. Unused sick leave is not paid for at termination of employment, however, credit is given for unused sick leave for employees retiring under the City's retirement plan. Twenty days of unused sick leave will provide the employee with one additional month of service credit in the TCRS. Employees are encouraged not to abuse the paid sick leave benefit so that paid time will be available in the event of an extended absence (paid sick leave serves as short term disability provided by the City), and for the additional service credit at retirement. Sick leave is accrued on approximately the 15th of each month and the leave balance is provided to employees on check stubs every two weeks.

Paid Vacation Leave

Employees earn vacation leave on a monthly accrual basis based on length of service. The list below shows the amount of vacation that is earned on a monthly and annual basis. 24 hour shift Fire personnel earn vacation time at 1.4 times the rate of a regular 40 hour per week employee. There is a maximum carryover allowed each year at January 1st of 240 hours of vacation for all employees except 28 day Fire who have a maximum carryover of 720 hours. Any vacation over

the allowed maximums will convert to sick time. Any unused vacation leave is paid to the employee at termination of employment.

Vacation leave is accrued on approximately the 15th of each month and the leave balance is provided to employees on check stubs every two weeks.

Paid Holidays

Employees other than 28 day Fire employees are paid for 12 holidays (96 hours) annually either with time off or additional compensation. Any holiday time that remains on an employee’s balance at the end of the year will convert to vacation time. Holiday time is posted to the employees leave balance at the beginning of each calendar year and the balance is reduced as holiday time is taken. The holiday leave balance is provided to employees on each pay stub. The paid holidays are:

Special Leave

Employees are granted time off from work with or without pay at the discretion of the Department Head for various occasions. Bereavement leave is granted with pay for a maximum of three days for the death of a member of the immediate family. Jury service is granted with pay provided the jury service pay is turned in to the City. Military leave is granted with pay for a period not to exceed 20 calendar days in a 12 month period. Special leave with or without pay can be provided at the discretion of the Department Head with the City Manager’s approval. Inclement weather leave is provided for all employees in the event the City Offices are closed due to severe weather conditions.

Retirement Plan

City employees are covered by the Tennessee Consolidated Retirement System, a statewide retirement program that covers state employees and numerous city and county local government agencies and school system employees. In 1982 the City initiated non-contributory status which means that the City pays the full cost of membership for employees. Employees do not pay any of the cost of membership in TCRS. The current contribution rate paid by the City is 17.18% of gross

wages for general government employees. For certified police and fire employees who qualify, an additional 3.5% is paid for the Public Safety Officer Supplemental Bridge Option. Other current options include probationary period buyback, sick leave credit, option I in service death benefit, 25 year retirement, 5 year vesting, 3.6% indexing, prior service buyback, and military service credit, among others.

The TCRS is a defined benefit pension plan which means that the benefit provided at retirement is based entirely on years of service and the employees highest consecutive 60 months of salary. Full retirement benefits are received at 30 years of service or age 60 for general government employees, and 25 years of service or age 55 for Public Safety employees covered by the Supplemental Bridge Option. A 30 year general government employee would draw approximately 48% of their salary at retirement, a 30 year Public Safety Officer with the Supplemental Bridge benefit would draw approximately 71% of their salary. The 25 year early service retirement option for general government employees allows employees with 25 years of service to retire at any age (under 60) with a reduction in benefit. Employees age 55 who are vested (5 years of service) may also retire at any time prior to age 60 with a reduction in benefit. Full details of the TCRS are available in the HR Department or online at www.tcrs.tn.gov.

Retiree Premium Reduction Plan/Medicare Supplement

In June 2006, the City implemented a program that allows retirees who qualify to remain on the City's health, dental and vision insurance coverage for life. Retirees under age 65 remain in the City's group plans that are provided for active employees. At age 65 the retiree is covered by a Medicare Advantage Plan. The retiree may also elect to cover spouses after retirement. Spouses may remain in the City's coverage for up to three years in the event of the death of the retiree. Retirees under 65 pay the same for dependent coverage as do active employees. Retirees must have 10 years of creditable service in TCRS to remain in the City's group coverage. A percentage of the retiree's individual premium is paid by the City, based on the employee's years of service. The premium reduction for both the health, dental and vision insurance and Medicare supplement starts at 15 years of service. The City pays 50% of the retiree's individual premium at 15 years of service and the percentage paid by the City increases 3.33% each year up to 100% paid at 30 or more years of service (5 % each year and 100% for 25 or more years of service for public safety employees).

Voluntary Participation in 457 and 401k Plans

City employees are eligible for 457 and 401k programs administered by Tennessee Consolidated Retirement System. These are voluntary tax-favored programs that allow public employees to contribute a portion of their salary before federal taxes into supplemental retirement accounts. These are long range retirement options designed to allow employees to contribute to an account that will supplement the benefits received from the State Retirement System and Social Security and provide a more secure standard of living in their retirement years. The plans are very flexible. Employees may enroll at any time, can make changes to their plan design, change contribution amounts, stop contributions if necessary and then resume contributions at a later date and make other changes whenever needed. Various options are available including fixed rate annuities, publicly available mutual funds and life insurance. Guidelines and rules for employee's access to their funds are in accordance with IRS regulations.

Workers Compensation and Occupational Disability Salary Supplement Plan

City employees are covered for occupational injury and illness according to the state worker's compensation laws, with coverage administered by the Tennessee Municipal League Risk Management Pool. The City in addition has adopted an Occupational Disability Policy that will supplement the worker's compensation weekly benefit amount to insure that employees receive an amount equal to their full regular earnings for a period of 30 calendar days. After 30 days if the employee remains unable to return to work, they would receive the temporary total disability benefit from TML (66.67% of regular pre-disability earnings). Employees are encouraged to work safely, and report any accident or injury immediately, even if minor in nature so that appropriate medical attention can be provided.

Educational Reimbursement and Career Training

City employees are eligible for up to \$2,388 per fiscal year for reimbursement of expenses for continuing education with a regionally accredited institution. Competitive Wages, Overtime Pay, and Compensatory Time

City employees are paid competitive wages which are evaluated periodically to insure they are comparable to wages paid for similar duties in both the public and private sectors. Employees receive annual pay increases if job performance is satisfactory, subject to the approval of the City Council and the availability of funds. The current compensation plan gives employees with a good evaluation a 3.5% step in pay each year in addition to any cost of living increase that is given (if funds are available and subject to Council approval), normally on July 1st of each year. Employees are compensated for any overtime worked according to the Fair Labor Standards Act, either with pay at time and one half or compensatory time off. Certified Police and Fire personnel are subject to special provisions of the FLSA that allows for extended work periods and an increased number of hours worked before overtime is paid.
